International Summer School
July 2019
As the world relearns its ABC (artificial intelligence, big data, cloud computing), China has taken the lead and emerged as a nation of digitalization: cashless payment, e-commerce, social media marketing, etc. In this rapidly changing time, how do we retrain and reinvent ourselves to be digitally savvy and create an innovative business? The answer is partnership and people, and the place to start is the financial and cultural hub of Chinese miracle – Shanghai.

### Why study with School of Management, Fudan University?
- An AACSBS and EQUIS accredited institution
- MBA and EMBA programs continuously ranked top 50 worldwide by Financial Times
- International course experience and faculty ranked No. 1 in business schools of mainland Chinese universities

### What distinct BEYOND from other summer programs?
- One Faculty Chair throughout the program for consistency of learning and business coaching
- Peer learning with students from global leading business schools
- Internship for professional practice
- 3 transferable credits

### Dates
Intensity 2-Week Program: July 8 – July 19, 2019
- 36 contact hours of lectures/seminars and 18 contact hours of company visits.
- Internship track following up the academic program

USD $1,800 inclusive program fee covers tuition, accommodation*, lecture materials, company visits, cultural events, and welcome orientation.
* On-campus housing limited; first come, first served.

### Internship Track
Students have the option to conduct a professional training after the 2-week academic program. With the recommendations and assistance from BEYOND faculty and coordinators, students will apply for and be interviewed by companies, and the placement will depend on the company needs and selecting process. Students are strongly encouraged to apply to the following companies:

- LI & FUNG
- ADANTECH
- INNOSPACE+
- SIEMENS
- Infosys
- BOSCH
- Lenovo
